MediClick® Signs Contract with University of California at San Diego Medical Center

UCSDMC to Implement ProClick™ Materials Management and Accounts Payable

Raleigh, NC – May 3, 2007 – MediClick signed a major contract today with **University of California at San Diego Medical Center (UCSDMC)**, a single hospital system operating multiple sites in San Diego and La Jolla. UCSDMC is licensed for 505 beds.

U.S. News & World Report rankings have recognized UCSD for its clinical and research excellence in a wide range of specialties, including cancer care, orthopedics, respiratory care and gynecology. UCSD physicians have also been honored consistently by both "The Best Doctors in America," "America's Top Doctors" and "San Diego's Best Doctors."

UCSDMC will begin implementation of ProClick Materials Management and Accounts Payable in June and plans to be live by October of this year.

"University of California at San Diego Medical Center is among the premier teaching hospitals in the nation and has a proud tradition of providing the highest quality patient care to its population," says Mike Merwarth, President of MediClick. "We are excited about partnering with the supply chain team to meet its goal of lowering materials costs while continuing to support the hospital's track record of exemplary clinical services."

About **MediClick**, Inc. (www.mediclick.com)

Based in Raleigh, North Carolina, **MediClick** provides comprehensive, next-generation, materials management and financial applications designed for the unique supply-chain and financial needs of both individual acute care facilities and large, complex IDN's.
